You will think this is the most correct thing you did for preparing for the SC-400 exam, Microsoft SC-400 Questions and Answers to make it Easier to Read.

NEW QUESTION: 1

There are several union actions that are considered unfair labor practices. One such practice is that unions may require employers to pay for services that are not rendered. For example, a union cannot require an organization to continue to pay employees to do jobs that have been rendered obsolete by changes in the technology. Which of the following terms defines this unfair labor practice?

- A. Collusion
- B. Featherbedding
- C. Coercion
- D. Hot cargo agreement

Answer: B

Explanation:

Explanation/Reference:

Answer option D is correct.

This is an example of featherbedding. Featherbedding happens when unions require employers to pay for services that are not rendered.

Answer option B is incorrect. Coercion is not the correct term for this scenario.

Answer option A is incorrect. Collusion is not the correct term for this scenario.

Answer option C is incorrect. A hot cargo agreement happens when a union demands that an employer stops doing business with another employer.
