NEW QUESTION: 1

The executive team loves your Insight reports, but has limited knowledge of the Responsys menus.

As the Responsys Administrator, how can you provide a custom report that the team can easily access from the Insight menu?

- A.** Create the custom report and schedule it to be sent by email to the executive team every single day.
- B.** You can only access custom reports from the account folder. You must train the executives to navigate to the Report Library to locate and launch the report.
- C.** Create the custom report and save it to the Insight account folder. Right-click to copy the link for the report. Send the link to the executive team and tell them to use it whenever they want to view the report.
- D.** Create the custom report and save it to the Insight account folder. Add the report to the Default Dashboard, and tell the executives to view the report from the dashboard whenever they want to view the report.

Answer: C
