Answer: A

NEW QUESTION: 2

Effective communication occurs in groups as well as between individuals and is made up of several key components, such as the purpose of the message, the audience that you are delivering the message to, and the content of the message itself. One important area to consider when working with manage communications_____

- A. The project performance report structure
- B. How often to distribute the information
- C. The choice of media
- D. The communications plan

Answer: C

Explanation:

Explanation/Reference:

Explanation:

The choice of media, or the way you deliver the information is as important as what you say. It is important to determine when to communicate in writing versus orally, when to prepare an

informal memo or when to use a formal report, and when to communicate face to face or by email, as examples.

NEW QUESTION: 3
