### **NEW QUESTION: 1**

You are a licensing specialist. Your customer is Wingtip Toys, a growing company that specializes in toys and computer games.

#### Company Background

Wingtip Toys has 45 full-time employees and 10 part-time employees.

The company is opening another division for high-end electronics and games. Twenty additional employees will be hired to support this division.

#### Network Description

Forty-five desktops are used by the full-time employees. Five additional desktops are shared among the part-time employees. A single server runs Microsoft Small Business Server 4.5 for the 50 desktops.

All desktops run Microsoft Windows 98 and Microsoft Office 97 Professional.

#### Current Licensing Solution

All software is purchased at the local computer store.

The software budget is small. The server software refresh cycle is four years.

#### Business Goals

The IT manager of Wingtip Toys wants a solution that will simplify managing the company's increasing number of desktops.

The IT manager has the following goals:

Standardize all desktops on the latest versions of desktop application software, and stay current.

Upgrade the server software.

Purchase new desktops for the 20 new employees.
